

Dear MVFM Vendors,

We hope each of you has been enjoying a restful, healthy, and creative winter (and staying warm!). We are roughly eight weeks away from our first 2025 Methow Valley Farmer's Market on Saturday, April 12<sup>th</sup>! The market season will run through November 1st, and this will be our 48<sup>th</sup> market season!! We are excited to welcome back our longstanding market vendors, and hopefully welcome many new vendors this season as well.

Please find attached the 2025 MVFM Handbook and Application. We ask all of our vendors, new and old, to read and review the Handbook, as the Market Board has made some revisions and additions that we want everyone to be aware of. We also want to reiterate that the Board welcomes comments and suggestions. There is a comment box on the market kiosk that Willie sets up at each market. You can also contact us by email anytime at [methowvalleyfarmersmarket@gmail.com](mailto:methowvalleyfarmersmarket@gmail.com) or come talk to us at market (preferably during set up or break down, unless it's an emergency of course). As MVFM Board Members, we each strive to do our best by the market as a whole to continue to host a vibrant, diverse, creative, authentic, safe, and profitable environment for vendors and guests. We want to hear from you so please come talk to us if you have a suggestion or issue.

We look forward to seeing you all in April, or as soon as you can join us! Thank you for sending in your application, and please let us know if you have comments, questions, or suggestions. Again, you can reach out to us at [methowvalleyfarmersmarket@gmail.com](mailto:methowvalleyfarmersmarket@gmail.com).

Thanks for keeping the Methow Valley Farmers Market the best little market in Washington!

Sincerely,

MVFM Board
